

Knitcircus Schematic Guidelines

Please include the following information on your schematic. Your schematic can be hand-drawn or computer-generated.

Sweaters:

- Bust
- Waist (if different than bust)
- Hips (if different than bust)
- Armhole depth
- Hem to Armhole
- Total Length
- Sleeve length
- Sleeve circumference
- Neck width
- Neck depth
- Shoulder width
- Crossback
- Yoke circumference if applicable
- Yoke depth if applicable

Pants:

- Total length
- Inseam
- Leg circumference
- Hips
- Waist

Shawls, scarves:

Height times width

Socks:

Cuff circumference, foot circumference, leg length

Mittens/gloves/fingerless mitts:

Cuff circumference, palm circumference, hand length, cuff length

Bags, totes, pillows, throws, etc:

Height times width or other pertinent measurements (i.e. if round, diameter)

Format for measurements:

Item x [x, x, x]"/ x [x, x, x]cm

Example: Bust 32 [34, 36, 38]"/ 81 [86.5, 91.5, 96.5]cm

If saved as a computer drawing:

Font: Calibri, size 10

Font Color: Black

File type: Save as PNG.

Use two lines of text if text is longer than measurement line.

Shorter lines "inside" longer lines (ex hem to armholes vs total length)
